

The Great ~~Muppet~~ Eagle Caper

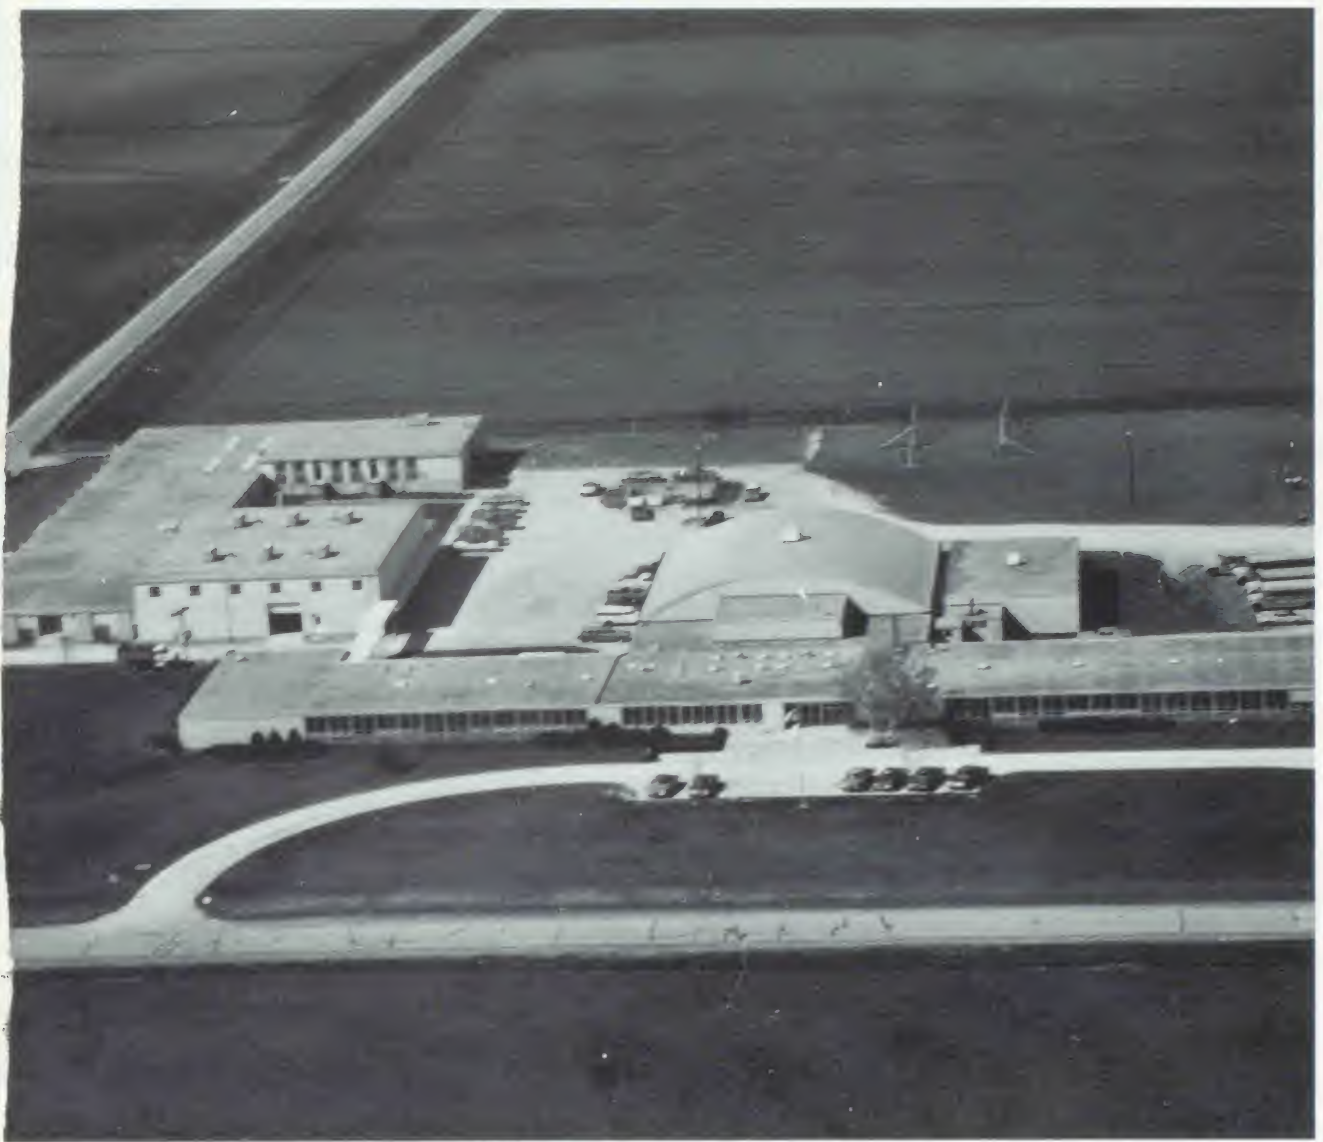

**DeLand-Weldon High  
School  
1981-1982**

In the beginning there was an idea. It grew and took on shape. The idea is now in your hand, a finished product. Sound easy? It wasn't! The idea came about in a meeting last year. A theme was born. It was then developed and refined over the summer. A letter was sent to gain permission. The theme kept growing. The reply came — all systems go. The theme continued to grow all year and now it is before your eyes as a full-grown yearbook. Why were the Muppets chosen as the theme? They were chosen because we love them and can even relate to them in some ways. Animal, the wild drummer; Fozzy, the lovable comic bear; Miss Piggy, the sophisticated star and Kermit, the leader of the gang are just a few of the Muppets we love. See if you can find a bit of yourself in the Muppets as you reminisce through this yearbook.

DeLand-Weldon Yearbook  
Route 1  
DeLand, Illinois 61839

Dear Leta:

I am pleased to confirm that we have granted DeLand Weldon High School permission to use original drawings of MUPPET characters in your 1982 yearbook. It is understood that the yearbook will be for the use of the students in the school and will not be sold commercially. It is also understood that you will not acquire any rights in the characters by their use in the yearbook.

In addition, we must ask that the following copyright notice appear on the title page of the yearbook, or on the following page:

All of the MUPPET characters produced in this yearbook and all of their names are owned by Henson Associates, Inc. and are used with the permission of Henson Associates, Inc.  
MUPPET Characters © Henson Associates, Inc. 1982

I am enclosing some artwork for your use in creating your own original designs for the yearbook. Please feel free to adapt any portion that appeals to you.

It is very exciting for us to know that you wish to immortalize the MUPPET characters in such a personal way as using them in your yearbook. We would be most interested in seeing a copy of the yearbook when it is finished.

My best wishes for a successful school year.

Sincerely,

*Carolyn Kalett*

# Yearbook Staff Has Candy Sales For Project

The yearbook editor this year was Leta Floyd. We took a lot of pictures, lost a few, scrambled to meet deadlines, worked after school, and had a good time putting the book together. The staff would like to thank Leta and Mrs. Blackburn for all their help and great ideas.

# Band Marches in Philadelphia and Washington, D.C. Parades

The band had another successful year. Numbers may have been small, but the power was still there. The year began in August with a week-long camp. The year also began with a new director, Terri Huff. The first marching competition was held at U. of I. on October 10. The band did very well in both field and show competition. The next competition was at I.S.U. on October 24. The band received first place in field competition.

Students attended solo and ensemble contest again this year. The band attended organizational contest on April 17. A first place rating was received.

Some of the students also attended E.I.U. Honor Band held at Charleston on May 7. The day was filled with hard work.

A Christmas and a spring concert were given. Many varieties of music were performed.

The highlight of the year was the invitation to march in the Philadelphia, Pa. and the Washington, D.C. Independence Day parades. Students worked hard to raise enough money to go. The trip was from July 2 through July 7.

# A Successful Year for Chorus

This year the Choral Dept. was very active. The group performed for the community and also gave Christmas and spring concerts.

The chorus went to organizational contest this year for the first time in a number of years. The group was well prepared and did a fine job.

Many members took part in the solo and ensemble contest at Monticello. The students did very well.

This year the musical "Calamity Jane" was performed. It was directed by Mrs. Parrish. The student direction was Debbie Stroh.

Members of the chorus also participated in the S.V.C. Chorus held at Octavia. They learned a lot.

## A.F.S. Club Sponsors Margie Hare

This year the A.F.S. Club was busy planning and doing. For a money making project, the club sold Tupperware.

Also, the club held an A.F.S. Weekend April 2 through the 4th. Other A.F.S. students came from other high schools with their host families. The students were given a tour of the Clinton Power Plant on Saturday morning. A swimming party was held in the afternoon and a potluck supper was held that evening. After the supper, a talent show was given by the D-W students and other A.F.S. students. It was a successful weekend.

# Todd McConkey Is Student Council President

Student Council started the year off with the homecoming dance. Early Saturday morning the members were at the school to decorate the gym for the dance. Seniors were very much aware that this was their last homecoming dance.

Day in and day out, Student Council affects anyone who drinks pop or Hi-C. As usual, they sold this to make money to sponsor different things.

Student Council also tried to help the students by trying to get privileges back that were taken away last year.

The 1981-82 girls' basketball season was the second year for competition against other schools. Even though the girls didn't win a game on varsity, they never gave up, always had spirit, and learned many things. They always played their hearts out from beginning to end. Just remember, it's not whether you win or lose, but how you play the game.

### LOOKS LIKE WE'VE MADE IT!!!

The graduating class of 1982 accumulated many memories of D.W.H.S. during the past four years. For the class of 1982, uniforms, pizza after the games, parties, and DeLand-Weldon are things of the past. They are good times that are never to be forgotten by those who learned, grew, and enjoyed their high school days together. At times, seemingly unsolvable problems would break up the good times, the class would ask "why us" and move on.

They have now achieved the first goal of their lives. They must begin to reach other goals — goals each individual must set for himself.

The seniors would like to express their gratitude to everyone who made these last four years unforgettable!

## D-W Students Welcome Margie Hare

Margie came to us in July. With her came the smile that we all loved. She not only brightened the days of her host family, the Robert Kingston's, but also those of everyone who met her.

Margie was involved in many activities. In the fall, she played volleyball and was a member of the flag squad in the band. During the winter, she was on the basketball team. In addition to all of this, Margie was involved in many clubs. She was always willing to help when work needed to be done.

Thanks, Margie, for sharing this year with all of us.

Margie and Angie McConkey enjoy the AFS Christmas party.

“Just Between You and Me”

Soph. Attendant: Chris Huisinga and Liz Kingston

Homecoming week was its usual good time! There was never a spare minute — wall decks had to be started — and finished, practices had to be held, and just the usual exciting homecoming thoughts. In between all this, we were supposed to find time to study.

After an exciting homecoming game with Homer, we had more to celebrate with a victory under our belts. In overtime, we had defeated Homer, 12-6, for our first homecoming game victory in many years.

Saturday morning came early as student council members had to decorate for Grand March Saturday night. The night was one to remember for the attendants and the King and Queen of '81 Homecoming — Ken Kizer and Tracey Larson.

If you're a person who likes to be waited on, rather than high-pressured, we're your store ... Our Sales People aren't a bit pushy — They'd rather make a friend than a sale. OLD FASHIONED??? Perhaps. But, our fashions are the latest. So come in and be served at your own pace. We want you to feel like you're one of us — cause you are, you know — or at least we feel like that.
